

Introduction Survey

Don't worry, it's not for a grade.

Time estimate: **TEN** (10) minutes
No. of questions: **SIX** (6)
Total marks: **ZERO** (0)
There are: **ONE** (2) pages

- (1) What is your full name? (The way the registrar writes it.)
- (2) What is your personal name? (What should I call you in class?)
- (3) What are your pronouns? (If no one has ever asked you this, most men use he/him, and most women use she/her.)
- (4) How was your summer?
- (5) Describe your feelings about mathematics in a few sentences and/or one drawing of a face.

(6) What do you want to get out of this class?
